

**Jeremiah was a young young man**

*Jeremiah was a young young man  
God said to him, "I've made a plan  
You'll be a sensation  
A prophet to the nation  
You'll tell them all my words"*

**Jeremiah said "Oi I'm only a boy  
I don't know what to say!"**

*Jeremiah felt tiny and wee  
God said to him "Don't say to me*

**"Hey God, Oi I'm only a boy  
I don't know what to say!"**

*God said "Go where I tell you today  
Say everything I tell you to say."*

**Jeremiah said "Oi I'm only a boy  
Please tell me what to say"**

*God said I am with you all the way  
I will protect you don't be afraid*

**Jeremiah said "Oi I'm only a boy  
God tell me what to say"**

*Jeremiah was a talking sensation  
He told God's words to his nation*

**Jeremiah said "Oi I'm only a boy  
God tells me what to say"**

*You may feel a young young kid  
But look at what Jeremiah did  
He did God's work now  
When God showed him how  
So listen to God's words*
