

Freshstart

What is the Abri Housing Group Freshstart Project?

The Abri Housing Group Freshstart project is designed to provide focused support to members of our community in the Chard area who need additional help and support due to a change in their circumstances. The project is a partnership between Abri and Citizens Advice South Somerset that also involves other organisations in the community to create a joined up, holistic service for the community.

What is on offer?

Help and Support with:

- Debt
- Skills & Employment
- Benefits and Money
- Housing
- Family & relationships
- Wellbeing

How we help:

- You will be allocated a dedicated caseworker
- You will be contacted to arrange an initial appointment which suits your availability and circumstances
- You will be provided with on-going support

How do I access this service?
