## MOISES

They are a Brazilian family, currently serving with YWAM in the multicultural city of Leicester in the area of education and sports. They love all nations and feel called to reach out to members of all faiths, being a bridge to others serving people from other countries and in helping to start international fellowships. Their children were born in the Middle East, where they worked for twenty years. They are still involved in a football development project which they pioneered.

Please pray for this week:

- Worklife on Tuesday. That the volunteers will have the wisdom to know how best to support and help the jobseekers.
